

OUR VISION

St. Leonard's C.E. Primary School encourages everyone to "Enjoy Success" through a stimulating curriculum in a happy, safe and exciting environment, which is celebrated by all. We will continuously build upon these foundations by focusing on quality, effectiveness and achievement, underpinned by strong Christian values.

OUR MISSION

Recognising its historic foundation, St Leonard's Church of England Primary School will preserve and develop its religious character in accordance with the principles of the Church of England and in partnership with the church at parish and diocesan level.

The school aims to serve its community by providing an education of the highest quality within the context of Christian belief and practice. It encourages an understanding of the meaning and significance of faith and promotes Christian values through the experience it offers its pupils.

As a church school, the school will strive to promote the spiritual, moral, social, cultural, mental and physical development of ALL pupils. It will at the same time strive to prepare its pupils for the opportunities, responsibilities and experiences of adult life by placing an inherent and equal value on each person involved in the life of the school whether they are child or adult.
