New Regulations

Dear Parents

Following new guidance we have been asked by the **Department for Education** to gather additional information on all pupils in school. The information requested is a pupil's country of birth and their Nationality. The information will help to ascertain how effective the education system is for foreign nationals and also, to measure the impact of foreign nationals on the education sector. Teachers will also be expected to assess a pupil's proficiency in English.

In order for us to comply with this request, can you please complete the slip below, sign and return it to the school office by **31 October 2016**.

Thank you.

Yours sincerely

Kay Ferriday
Head Teacher

Please complete the form below and sign and return to the school office by 31 October 2016.

There is currently a dearth of information held to understand how effective the education sector is for foreign nationals and to effectively measure the impact of foreign nationals on the education sector. This new information, country of birth, nationality and proficiency in English, will help bridge that data gap and provide the Department with valuable statistical information on the characteristics of these groups of children and along with their attainment and destinations, will allow the Department to measure whether the individual pupils, or the schools they attend, face additional educational challenges. Therefore can you please
