

Daily Mile

All together our school has walked an incredible 17,863 miles – that’s enough to get almost 3/4s of the way around the world! 4CW class have walked the most miles in the school with a total of 1,972 miles.

Every Thursday, RCOL and 5AR walk together on various routes around the school grounds. Mr Archer does some funny dance actions to make it more fun for the Reception class and its fun for year 5 too!

Our Goal.

By the end of the school year we hope to have achieved 25,000 miles altogether as a school, 5AR class hope to achieve 3,000 miles by the end of July.

Josze Sandor has run 6 laps around the field in under 10 minutes, setting the 5AR class record. Some people in our

class like doing friendship laps, where you can either run or walk with someone you don't usually talk to – it's a great way to get to know people.

Some children in KS2 really enjoy the Daily Mile, although some don't like it as much. Personally, we enjoy the Daily Mile – especially when we do the friendship lap, because you get to know the other person better and sometimes have things in common.

Thank you for reading our report!
