'Family Learning' accreditation course

Dear Parents,

We have been fortunate to receive funding for a 'family learning' accreditation course to take place in school. This is an exciting opportunity for you to develop your own skills, at your own level, alongside other parents.

The course will be a maths accreditation course and will be suitable for all levels of ability, to suit your needs. The highest award is a level 2 which is considered to be the equivalent of a GCSE a to c grade by employers or colleges. The course covers basic aspects of maths. It will start on Thursday 27th April and be based in our spare classroom on KS 2. The course is completely free and this includes the cost of the exam entry too. Should you require childcare for younger children then this can be organised

The course will be run by one of the Shropshire Family Learning team.

In previous years, several of our parents completed the maths accreditation course and were very successful. It really is a super opportunity!

If you would like to reserve a place on the course please could you complete and return the slip on the Family learning flier, to the office, by Monday 27th March 2017. Places will be allocated on a first come first served basis.

Yours sincerely

Kay Ferriday
Head Teacher
