Reception Technology Questionnaire

Dear Parents/Carers,

We are very much aware that many of the children are able to access ICT (Information Communication Technology) outside of the school setting. We would be very interested to know if your child has the opportunity to use ICT and would like to know what they enjoy. This will help us to inform future planning using technology we have available in school and will also be informative with regards to the Technology Early Learning Goal.

Thank you in anticipation for taking the time to provide us with this information. We look forward to receiving it to find out more about any technology your child is interested in.

Please complete and return the page attached by Friday 9th June. If you have any queries please don't hesitate to speak with us.

Many thanks

Mrs Allen and Miss Coleman
Reception Teachers

Reception Technology Questionnaire

Please complete and return by Friday 9th June.

Child's name..... Class.....

Does your child access a computer or laptop at home? If so what do they use it for?	Yes/No
Does your child use a tablet or mobile phone at home? If so what do they use it for?	Yes/No
Does your child use a games console at home? (E.g- Xbox, Wii, Playstation etc)	Yes/No
Is your child able to use a camera, smart phone or tablet to take photographs?	Yes/No
Does your child have any programmable toys – E.g remote control car?	Yes/No
(If answered yes in the questions above) Please can you indicate if your child can use any of the technology your child is able to use without help. (E.g can turn camera on and take a photo independently, or adult support to turn on tablet can play games themselves.)	
Are there any other types of technology which your child uses that you would like to tell us about?
