Summer Holidays!

We hope that you have a very happy and safe summer. We will see you when we return to school on Tuesday 5th September 2017.

Thank you for all the support you have given us this year.

ASTHMA INHALERS/RECORD CARDS

Can we please remind you that your child's asthma inhaler and asthma record card should be collected from the classroom at the end of this term. It is recommended that your child's asthma record card is updated by your local GP/Asthma Nurse over the summer holidays. Cards will then need to be brought back to school in September and a new medicine administration sheet completed for the 2017/2018 academic year. These will be available from the school office in September.

Thank you!

We would like to say a special Thank You to our Governors, all of our fantastic Parent and Grandparent Helpers who have helped with swimming and in the classroom, FOSLS who have arranged some of our brilliant events this year and the Open the Book team who have presented some amazing assemblies throughout the school year.

You have all been a great support and we hope you have a wonderful summer!
