Academy Conversion

Dear Parents

I am writing to let you know that, following much research and consultation with you, staff and the wider community, the Governors made the decision to convert our School to an Academy. An application was made to the Department for Education and our Order has been received.

Our conversion is planned for the 1st November 2017. On this date we will also become part of Bridgnorth Area Schools' Trust, along with Castlefields and Alveley Primary Schools and Oldbury Wells Secondary School.

Thank you for your support throughout this process and please rest assured that your child's education, and personal development, remain of the highest priority. I must also stress that we will continue to collaborate with all of our local Primary Schools and to also work closely with both Secondary Schools in Bridgnorth, promoting them equally to our pupils.

Yours sincerely

Kay Ferriday
Head Teacher
