5th October, 2017

Asthma UK Support

Dear Parents

This year we would like to focus some of our fundraising on Asthma awareness, the people who work hard to support anyone who has Asthma, or support those who have relatives with Asthma. We know that many of our children suffer from Asthma and cope well on a day to day basis. Much of this is down to the medical research and advice that families are given.

We would like to start our support on Monday 9th October.

From the Monday of that week, one of our Teaching Assistants, Gemma Brown, will be visiting each class with her newly published book – **The Marvellous Marathon Dragon**. This book is based on Drago Puffer, The Asthma Dragon, who I am sure many of you will have seen at other events. Tragically Gemma and her husband suffered the loss of their eldest son to Asthma and have been fund raising for this very worthwhile cause ever since. There will be copies of the book for you to buy should you wish. They are £6 each with profits going to Asthma UK. Over the week each class will have a competition based around the book and the winners will be announced in our Friday Assembly. We are excited to say that Drago Puffer will come along to present them. We will also give out details about how you might buy the book should you wish.

We would also like to show our support with a **Wear Green Today for Asthma UK day**. We really hope you will support this worthwhile cause and allow your child to pay £1 and **Wear Green on Friday 20th October, 2017**.

If any of you have any other ideas, that you think we could use, please let us know.

Yours sincerely

Kay Ferriday
Head Teacher
