RAL and R/1CW

Please can children bring in a baby photo for next week's science lesson. Please ensure that you only bring one, your child's name is on the back and it is a photo that you don't want back. Thank you.

KS1

Please bring reading books in every day this week.

Geography

We now have a *Geography* page on our website which we would love for you all to look at. This page will have a monthly competition question for which a small prize will be awarded for the correct answer. The winner will be announced in assembly. More information can be found on our school website under 'Information' and then 'Geography'.

FUN FACT - The lowest natural temperature ever recorded on Earth is minus 89 degrees C, in Antarctica in 1983. Can you imagine going outside even for a minute?

Please follow the following link to the *Geography* page -
<http://bridgnorth-st-leonards.shropshire.sch.uk/geography/>

REMINDER – Reception 2018/2019 Applications

If your child is due to start school in September 2018 you need to have applied for a place by the closing date of 15th January 2018. Applications should be made online via the following link:

https://oneonline.shropshire.gov.uk/CitizenPortal_LIVE/Account/Login?ReturnUrl=%62FCitizenPortal_LIVE%2F

If you live outside Shropshire you will need to apply for a school place through your home local authority.

Late applications are considered last, once all the on-time applicants have been allocated their school places. This means that the pupil is at risk of not being allocated a place at their catchment/nearest or preferred schools.

If you experience problems applying online, please call 0345 678 9008 to make a telephone application during office hours.

Family Fun

Shropshire Hills Discovery Centre

Feathers and Flight 27th January 11am – 3pm

Join us for a day of activities to celebrate RSPB Big Birdwatch. Take part in a hot air balloon flying lesson, spaces are limited and booking is required. Take off and soar over the Shropshire Hills for 90 minutes, learning how to fly the balloon. With an exclusive 10% discount for this event, you can take part for just £170 per person (weather dependant). For those not wanting to leave the ground, you can watch the spectacle from the Centre where you can meet Chris Neal's Falconry Birds of Prey; get a photograph with them and watch their flight displays. Join in flying crafts and get involved in treasure trails.

Hogweed's School of Magic Monday 19th - Friday 23rd February

Have your training wand pick you and release the magic. Calling all young witches and wizards, your classes await – Divination, Potions, Disapparation. £4 per accompanied 4-11yr old

Secrets from Hogwart's kitchen Tuesday 20th February

Bake a bread version of the famous sorting hat and have it with a gillyweed dip. Make cauldron cakes as eaten by passengers on the Hogwart's express. Wash this down with pumpkin juice. £7.50 per accompanied child aged 5-11yr old.

Saturday Discovery Club

11am - 12pm £2.50 per child. A club for 3-7 years olds on the last Saturday of every month

27th January - Big Garden Bird Watch Special

Make fantastic bird feeders for this Big Garden Bird Watch Special! Use hogweed stems to build mini beast hibernation habitats and bird identification wheels.

24th February - Twigs

Come along and explore the endless possibilities with twigs, learning how to identify them along the way. From fishing rods, pyramids, habitats and weaving tools, unleash your imagination and use the fallen Winter twigs to get creative.

Book at Reception or call 01588 676060

Spaces are limited so BOOK NOW to avoid disappointment!
