Swimming Pool Subs

Dear Parents and Carers

When we return from the Easter holidays we will be getting ready to start swimming again.

Do you know that the pool is funded 100% by FOSLS and you? The cost last year was just less than £8000, so per pupil this is about £30. I'm sure you will agree this is excellent value, all our kids get to swim weekly in the summer term and it is a pleasure to see all our pupils' confidence grow and their swimming improve.

At the end of 2017 the pool account was left with a balance of £135 so we really do need your help to keep the pool running.

Each year, at this time, we ask for swimming pool subs. These are a vital part of keeping the pool running. Last year, unfortunately, subs only covered 20% of the costs and it is estimated that around 50% of our families paid their subs. This year we are asking that **all** families pay their subs, if finances allow. Even just a portion of it would be appreciated.

We would be grateful if you could complete and return the slip below by **30th April 2018** please.

Yours faithfully

Nancy Brown
Chair of FOSLs
