## Problem Solving Maths Days

Dear Parents/ Carers,

I am delighted to inform you that your child has been selected to take part in a Problem Solving Maths Group. Approximately 40 students have been selected from the Bridgnorth area because of their potential in Maths. These students are going to have the opportunity to be taught five extended maths lessons at Oldbury Wells School throughout their Year 6. We believe this is an excellent opportunity for some of our mathematicians to be able to work with other students from across the region on a regular basis.

As a school we will, of course, support the project to make sure the work is beneficial to our students.

The dates for the sessions (all on a Friday) are:

**19<sup>th</sup> October**

**23<sup>rd</sup> November**

**1<sup>st</sup> February**

**22<sup>nd</sup> March**

**17<sup>th</sup> May**

The children will be picked up from school, after registration, and taken to OWS in the OWS mini-bus. They will be brought back to school in time for the end of the school day. A Teaching Assistant from one of the Primary Schools will accompany them. This role is usually shared between the Primary schools.

With your permission we will give Oldbury Wells School your emergency contact details and any relevant medical information. Oldbury Wells will ensure your child is appropriately supervised and have access to trained first aiders if necessary. In the very unlikely event of an emergency or illness, Oldbury Wells will contact you directly and look after your child as they would any of their own pupils.

Yours sincerely

Mrs Hazel Coleman

---

## Problem Solving Maths Days

I give/do not give permission for my child..... ( please print name ) to attend the Problem Solving Maths Group at Oldbury Wells School.

I give permission for my emergency contact details and any relevant medical information to be passed on to Oldbury Wells School.

Emergency Contact details .....

Signed.....( parent/carer)
