Beeswax Wraps

Dear Parents

As promised your Beeswax Wrap is ready to collect. We are asking you to collect them so that they do not get damaged.

We hope that you will enjoy using your Wrap and help us to cut down on single use plastics.

Please note the care instructions below.

Yours sincerely

Kay Ferriday
Head Teacher

REUSABLE BEESWAX FOOD WRAP

Ditch the plastic cling film & tin foil!!!

Ideal for wrapping food items such as sandwiches, cheese, unused vegetable halves, seal jars/bowls, picnic food... so many things!

Zero waste and will last ages if cared for correctly. Can even be composted!

CARE INSTRUCTIONS

Simply wash with a little soap under **cold water** and hang up to dry.

Every 3 months, place on a baking tray lined with baking paper in the oven set at 100c for 3 minutes. Then hang up to cool.

Do not use in the microwave. Do not use to wrap raw meat/fish.

Made by Alison in Shropshire using pure beeswax from her own honey bees.

More supplies can be purchased from www.facebook.com/BeeswaxFoodWrapsTelford
